SIXTH YEAR.

MAYSVILLE, KY., TUESDAY, NOVEMBER 9, 1897.

ONE CENT.

Spicy CIRCULATION
LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "space" free any more than a merchant can lose over his counter free of any goods or those. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

We Knew We Had a Good Thing in the Stock of Goods

We bought by electric light a few days since. There is so much clap-trap clothing advertisements in vogue just now that we refrained from saying very much about the purchase. We simply called the public's attention to it by telling them to look at the display of these goods in our windows and note the prices on them. We knew we would sell some of them. The warm weather laid a doubt as to selling a greater many now. The doubt is dispelled. Since the day we opened this purchase and placed them in our windows our store has been crowded with customers anxious to secure these unheard-of bargains. We advise our friends who contemplate buying Fall Suits and Overcoats not to let this opportunity slip. It is only once in a long time that circumstances arise that enable merchants to secure first-class clothing that can be sold for less money than the cheaply gotten-up stuff that is flooding the market just now.

Our \$2, \$2.50 and \$3 Custom-Made

SHOES!

That we warrant to give satisfaction and cheerfully return the money if they do not have quickly sprung into favor. Out of town mail orders—and of which we receive many—receive prompt attention. Look at our show-windows; none like them in the state.

The Continued Calls

upon THE LEDGER for free notices

are forced to publish the following terms:

For Notices of Meetings.

occasions, fairs, or other public entertainments where a fee is charged, and for ordinary notices, resolutions of respect, etc. The LEDGER will charge five cents a line, and hereafter this will be the standard rate. This, however, ever.

Does Not Include

notices of Lodge meetings or Church services, which must not exceed ten lines.

Avoidance of Disputes.

Misunderstandings are unpleasant. The rates for Notices of Meetings in THE LEDGER is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. A customer orders an advertisement inserted in the paper. "I'll tell you when to take it out," he says to the bookkeeper. But he forgets all about it. The notice runs for two months—\$20.00 worth of advertising. When he finds it out there is a "kick" and a controversy. Probably by an icy feeling. Now, to avoid this, we will, to all our customers, give a definite agreement at the point of sale and the termination will be pleasant all around.

An Omaha Preacher denounced the New York Churches for not supporting Henry George.

The memory of the late Major Lewis Ginter of Richmond, Va., is to be perpetuated by the endowment of a mechanics' institute and school of technology in that city.

The Women's Missionary Society of the First Presbyterian Church will meet this afternoon at 3 o'clock in the basement of the Church. Subject—"Influence of Christianity" and "South America."

The will of Mr. Oscar M. Calvert was presented in the County Court yesterday and continued for further proof. All his property is left to his wife, and at her death is to go to his daughter, Mrs. Benjamin Marshall.

The City Council of Denver has passed an ordinance requiring cigarette dealers to pay a license of \$1,000. This is too bad; those who want to enter business by the cigarette route ought by all means to be allowed to do so.

Now that the "gang" will soon be in full control in Cincinnati, Dr. Frederick, fugitive Health Officer, will return from Canada and stand trial. He is a Democrat, charged with attempting blackmail to the tune of \$2,500.

THE LEDGER is requested by Mr. W. W. Wilcox, Agent of the C. and O., to state that the cause of the continuous ringing of the bell at Third and Commerce a few nights ago has been discovered. Some enterprising citizen got a ladder, climbed into the Tower-house and turned on the electricity.

The Mayville and Mason County Auxiliary of the American Bible Society will be held the first Sunday night in December. Rev. J. S. Sims of the M. E. Church, South, will deliver the address. It is urged that all Churches in the city please take the collections as soon as possible and report same to the Treasurer.

"The worst cold I ever had in my life was cured by Chamberlain's Cough Remedy," writes W. H. Norton, of Sutter Creek, Cal. "This cold left me with a cough and I was expectorating all the time. The Remedy cured me, and I want all of my friends who troubled with a cough or cold to use it, for it will do them good." Sold by J. James Wood, Druggist.

Printers, like other people, have to eat—sometimes. That is, if they can get the material. But they can't get the material without money—unless someone gives it to them. Now, if you owe this Printer, he will gladly accept a few country hams, a bushel or two of potatoes, or most any old thing that comes from the farm—and will give full credit at market prices. See?

MAY BE HIM.

A Constable at Brownstown, W. Va., thinks He has Henry Halbert.

A dispatch from Brownstown, W. Va., says Constable Malone of that place has in charge a man who answers the description of Henry D. Halbert, the assassin of Captain Thomas B. Hoobler at Vanceburg.

Some citizens of Vanceburg are already telling of Halbert's queer freaks, and it is apparent, if he is apprehended, that an effort will be made to prove him insane.

AWFUL RESULTS

Of An Early Morning Fire at Hot Springs, Ark.

Two Men and a Eleven-Year-Old Girl Lose Their Lives.

The Heat of the Occupants Taken Out of the Burning Building Through the Windows on the Adjoining Property and Dropped to the Avenue Below.

HOT SPRINGS, Ark., Nov. 9.—A fire with frightful results occurred here Monday morning at 1 o'clock. Frank Kaufman, Charlie Johnson and Clara Erhart were burned to death. The fire occurred in A. Erhart's bakery on Central avenue. The building was a three story brick, and Mr. Erhart's family occupied the third floor as a residence. Several of the employees of the bakery, including Frank Kaufman and Charlie Johnson, were sleeping in the room in which the ovens are located in the rear of the building and spread rapidly to the second and third floors. The sleeping occupants were almost suffocated with smoke before they made an effort to save themselves. Mr. Erhart succeeded, by the aid of his family, in getting his family out through the windows on the roof of adjoining buildings and dropping them to the avenue below. His 11-year-old daughter, Clara, after being rescued, ran back into the building for her mother and was burned to death. The bodies of Kaufman and Johnson were found in their beds Monday morning frightfully burned. They were intoxicated when they retired and suffocated before being aroused.

WORLD'S FAIR CO.

Held Responsible for Losses to the French Republic and French Exhibitors by Reason of the Fire January 6, 1904.

CHICAGO, Nov. 9.—The directors of the federal bank, Monday handed down an opinion holding the World's Columbian Exposition responsible for the losses to the French republic and the French exhibitors by reason of the fire on the night of January 6, 1904. The loss to the French republic consisted of some fine Beauvais and Gobelin tapestries and two magnificent Sevres vases and ornaments at the entrance to the chamber of deputies. The French representatives claimed \$80,000 on their loss and the directors of the bank of delay and extra expenses attending the fire. Half a dozen private exhibitors from France had a loss of \$15,000 combined. The directors of the amount of damages to be paid by reason of the fact that it appeared that some of the exhibitors had collected insurance, and the court desires that it appear that their suit is brought in the interest of the insurance companies and to be limited to the amount accepted in insurance.

Will Cross the Continent Afoot.

NEW YORK, Nov. 9.—The little band of missionaries connected with the Boston Mission, who are going to the continent afoot and go to the Klondike from San Francisco, started on their journey Monday afternoon. Their route across the continent includes Pittsburgh, Cincinnati, Chicago, St. Louis, Kansas City, Omaha, Denver, Salt Lake City, Reno, Nevada, and San Francisco. They expect to reach Dawson City about May 15 or June 1.

Sanguily Ordered to Report for Duty.

PHILADELPHIA, Nov. 9.—The press prints under New York date Tuesday a story to the effect that Gen. Julio Sanjurjo, the Cuban patriot, had received an order from Gen. Gomez to report for duty in the insurgent ranks. The order places him in an embarrassing position, as he has been a leader of the Cuban cause and when arrested in Havana two years ago was only released after Gen. Gomez had signed his word not to again take arms against Spain.

Lord Mayor of London Installed.

LONDON, Nov. 9.—The new lord mayor of London, Horatio David Davies, was formally installed in office at the Guild hall Monday, with the usual ceremonial, succeeding Sir George G. Phillips. The ancient custom of presenting the elected chief magistrate of London to the representatives of the sovereign and to the people, known as lord mayor's day, will be observed Tuesday with great ceremony.

A Famine in Russia.

ST. PETERSBURG, Nov. 9.—A terrible famine is raging in the province of Archangel a government of European Russia in the extreme north. Many have already died of starvation. The people wander about reduced almost to skeletons, their heads swollen to the size of buckets. Tea is the only means of subsistence.

The First Steamer.

KANSAS CITY, Mo., Nov. 8.—The Kansas City, Pittsburgh & Gulf railroad announced that the first steamer on the new line from Port Arthur, Tex., to Mexican ports will sail from Port Arthur on December 3. The steamer Uto will follow on December 25.

He Announces Off.

GARY CITY, Ind., Nov. 9.—A young man named Wilson, who had been a coal cheller in Hawkins county, Tenn., caught his hand in the teeth of the cycle. His right arm was torn off at the elbow. He died almost instantly.

A Trembling Host Offered.

HAVANA, Nov. 9.—Don Blanco has issued a proclamation offering full pardon to insurgents who surrender. The sentence of prisoners will also be commuted in part or in whole.

A Good Wheat Crop.

BUREAU, Queensland, Nov. 9.—A record wheat crop is expected in this colony. The area of wheat is double that of last year and many crops, it is estimated, will yield 40 bushels to the acre.

DIED TOGETHER.

Father, Mother and Three Daughters Gunshot to Death.

PARIS, Nov. 9.—A man named Dreyfus, who is known to the police as Capt. Dreyfus, the deported artillery officer imprisoned on an island off the coast of French Guiana, his wife, formerly the Countess Chevalier, and their three daughters, respectively 13, 11 and 7 years of age, committed suicide Monday. They were lying on the floor in the bedroom of the youngest child. Dreyfus left a letter for the commissary of police of that district, enclosing four hundred francs with which to defray the expenses of the funeral of the family. The deceased husband and father was terribly upset by the sentence imposed upon Capt. Dreyfus that he changed his name to that of his wife.

M. Dikoff, and to his financial partner, M. Dikoff, and to his mother-in-law. In the letter addressed to the commissary, he argues that suicide is justifiable, urges that those dissatisfied with life would do well to follow his example, and says: "It is better for me to die with my parents, as their mother has also elected to commit suicide."

He refers without mentioning any names, to "a man responsible for my sin," but all the letters treat the reason for the suicide as equivocal.

M. Dikoff asserts that the deceased was in comfortable circumstances and had property with annual income of about \$2,500. M. Dikoff's theory is that the tragedy resulted from excess of melancholy or madness. He says he had heard Dreyfus allude approvingly to some remarks of the deceased.

The Widger Cyclist's Race.

ATLANTA, Ga., Nov. 9.—Jimmy Michie, the midge cyclist, ran a great race against time here Monday night, and although he failed to accomplish the feat undertaken, his performance was a marvellous one. He attempted to run a mile in 10 seconds, but he had done so for the fact that his paces lagged and compelled the Welsh warrior to slow up at a critical time. Time of running was 10 seconds and 1/2. He broke the champion of America, added new laurels to his long list. He broke the mile track record, making it 12:52.5.
